What is IDEA?

IDEA aims to provide Adult Educators with innovative methodologies (e.g. NFE and tinkering methodology) and educational resources to engage the target group of adults at risk of exclusion and support their take-up of further Adult education opportunities by bringing them closer to the critical topics of the 21st century; such as Circular Economy and Plastic Waste reduction.

Learning, Teaching and Training Activity Evaluation Report and Future Plans

We are delighted to share with you the evaluation report for the recently concluded ERASMUS+ IDEA project mobility in Poland. This report reflects the valuable feedback and insights provided by the participants, allowing us to assess the program's effectiveness and identify areas for improvement.

Some result and comments

- The vast majority of participants gave good feedback, claiming that the training improved their level of awareness on their awareness of circular economy education and plastic craftwork.
- Respondent ratings indicated that the majority of the activity's activity's execution, including its information, discussion, relevance, structure, and logistics implementation was successful.

It was nice to meet and cooperate with people from different countries and it was a pleasure to work on this topic

I'm happy to join a project like this and I may start implementing in order to educate and spread awareness to develop community

Conclusion:

The evaluation report indicates the success of the KA2 AD INN IDEA - LTTA program in raising awareness of circular economy education and plastic craftwork. The positive feedback from participants regarding workshops, activity implementation, and overall program assessment demonstrates the program's effectiveness in achieving its objectives. We appreciate all the valuable suggestions and comments provided, which will help us enhance future activities and address areas for improvement. We thank all the participants, trainers, and organizers who contributed to the program's success.

Stay tuned for future updates and announcements as we continue to develop and expand our initiatives. Remember to follow us on our social media platforms!
